

Look at the 10 groups of words below. **For each group of four words**, select the word that is *most* like you and place a 4 on the line to the *left* of the word. Next select the word that is *least* like you and place a 1 on the line to the *left* of the word. Assign a 3 to the word that is next most like you and assign a 2 to the word that is next least or somewhat like you.

For each group of four words, you should have one word with a 4, one word with a 3, one word with a 2, and one word with a 1, for a total of 10 points for each group. The total points should equal 100. (10 groups of 10 points.)
